**“For we walk by faith, not by sight:” 2 Corinthians
5:7**

In a world filled with uncertainty, God calls His people to walk not by what we see, but by faith in Him. Faith is trusting God even when the path ahead is unclear. It is believing in His promises when circumstances seem to say otherwise.

Too often, we rely on our own understanding and become discouraged when things don't go as planned. But faith reminds us that God is always at work behind the scenes. He sees the full picture, while we only see a very small piece.

Walking by faith means surrendering control, trusting His timing, and believing that His plans are for our good. Even in trials, God is shaping us, strengthening us, and drawing us closer to Him.

Today, be encouraged to take a step of faith, whether in prayer, obedience, or trust, knowing that God walks with you every step of the way.

Think about this: What is one area of your life where God is calling you to trust Him more deeply this week?
